**HELP  
DARFUR**

We only imagine an "Exodus," but over 2,000 Darfuri men, women, and children experienced the real thing - escaping brutality, walking across Sudan, trekking through Egypt to find a safe haven in Israel, our Promised Land. With all the challenges facing the State, Israel has nonetheless risen to the promise of its ideals and given these refugees sanctuary.

**NOW—it is our turn to HELP ISRAEL HELP DARFUR**

How? B'nai Darfur is an Israeli organization in Tel Aviv ([www.bnaidarfur.org](http://www.bnaidarfur.org)), charged with helping the refugees with housing, food, clothing, Hebrew instruction, and more.
