ERIKA J. GLAZER EARLY CHILDHOOD CENTER

A NOTE FROM OUR DIRECTOR

Dear Parenting Center Families,

We're pleased to welcome you to our new Fall 2010 session. You'll find that the Erika J. Glazer Early Childhood Center of Wilshire Boulevard Temple offers you and your children a place to discover and grow as a family – from birth to Nursery School readiness. At the Parenting Center, your children are encouraged to explore our stimulating classrooms and play yard in a warm, supportive environment under the careful supervision of professional teachers and child development specialists. In small group settings, parents have an opportunity to discuss their children's growth and development along with parenting issues every family faces.

The values of Reform Judaism permeate our center. We offer you a friendly environment which exposes your child to Jewish customs, symbols, rituals and holiday observances.

The parenting center is the gateway to our nursery school. Children participating in our classes are guaranteed a spot in the Erika J. Glazer Nursery School when they are ready to attend. Our parenting groups include art, stories, movement, cooking and the love of Judaism. All families attending our Parenting Center are encouraged to participate in monthly parent educationals: Coffee with Carol.

Please contact us or our staff if you have any questions. We look forward to getting to know each of you.
