

ERIKA J. GLAZER
EARLY CHILDHOOD CENTER
of WILSHIRE BOULEVARD TEMPLE

Nursery School *and* Parent & Me Classes

BETTER THAN ever...

The Parenting Center at the Erika J. Glazer Early Childhood Center is better than ever! We have an exciting summer planned with a variety of new and stimulating classes for you and your child.

Two of our much loved facilitators, Dr. Penni Seller and Eva Glettner, from our Westside Mann Family Early Childhood Center will be expanding their

range and will now be teaching at the Parenting Center at Glazer as well. Parent & Me classes are for children ages birth-3 years. These classes provide parents and their children with the opportunity to experience play as a hands-on experience, share ideas and challenges with staff trained in child development and early childhood education and develop friendships within a Jewish community.

PLUS! There are still a few spots left in our Nursery School program for Fall 2010
